# STEPHANIE YOO

Senior UX/UI Designer

Chicago, IL • stephyoo@proton.me • (850) 499-7236 • www.yoostephanie.com

## SUMMARY

Senior UX/UI Designer with 10+ years of cross-disciplinary experience in digital product design, design systems, and team leadership. Leads UX execution delivering mobile experiences across 40+ global markets. Combines hands-on Figma craft with strategic direction, building component libraries, streamlining workflows, and mentoring designers, while leveraging AI tools to accelerate research and iteration.

## EXPERIENCE

**Sr. UX Designer** • tms, a HAVI Co. Oct 2022 – Present

- Lead a pod of 3 designers and 1 researcher shipping 20+ mobile digital experiences for McDonald's Happy Meal across 40+ global markets
- Built and maintain the shared design library and starter templates, standardizing components and reducing project setup time by 33%
- Coordinate end-to-end delivery across strategy, UI, motion, copy, accessibility, and development to launch co-branded experiences on deadline
- Established cross-team workflows with internal stakeholders that streamlined handoffs and improved delivery consistency on global projects
- Mentor a junior designer through structured critiques, career coaching, and stretch assignments, building team capacity

**UX/UI Designer** • Pathfinders Advertising Jan 2022 – Oct 2022

- Led end-to-end UX/UI design for 5+ large-scale client web projects within agile sprints, from discovery through launch
- Created UI style guides and Figma component libraries that established visual consistency across all project deliverables
- Synthesized user research into wireframes and interactive prototypes, shaping design direction and accelerating stakeholder sign-off
- Presented design solutions directly to clients and partnered with developers to ensure pixel-accurate implementation

**Experience Designer + Account Manager** • OPTO International Inc. Jan 2019 – Jul 2021

- Conducted customer research and service analysis to define product strategy for 20+ enterprise clients
- Designed product experiences spanning physical and digital touch-points, aligning solutions with brand positioning and budget
- Managed cross-functional teams across design, engineering, production, and client services, delivering projects on time and within scope

**Freelance Designer** • Independent Jan 2013 – Aug 2018

- Produced web, print, and content deliverables for clients across retail, hospitality, and tech
- Led end-to-end digital and social media campaigns from creative strategy through execution and performance review
